About Champion

Champion Construction Systems, Inc. was founded in 1970 by Joel and Kathy Reets. In the beginning, it started out as a small cleaning company, specializing in janitorial cleaning and hard floor maintenance. Champion soon expanded its services to include carpet and upholstery cleaning. In order to provide more comprehensive services, Champion began to offer fire and water damage restoration as well.

Almost 40 years later, Champion is still serving Atlanta residents. It is home to over 50 employees and offers a wide range of services from 24 hour emergency services to full reconstruction. Champion has always been family owned and operated with the mission of providing the most outstanding service opportunity possible! We are looking forward to working with you.

FIRE DAMAGE RESTORATION

Fires can involve a combination of damages including thermal damage, smoke damage, and damage caused by the material used by fire departments and sprinkler systems. Champion offers the following fire and smoke restoration services:

- Full Contents Cleaning and Restoration
- Partial or Complete Pack Out
- On-Site Storage Facility
- Demolition
- Full Reconstruction
- Deodorization
- Ozoning

It takes specialized training and a great deal of professional experience to effectively restore a structure which has survived a fire. Champion has the skills and experience it takes.

WATER DAMAGE RESTORATION

Successful restoration depends largely on immediate response and the fastest drying possible. That is why Champion has crews on-call 24 hours a day. In the Atlanta area, Champion is the exclusive provider of the patented TES Drying System - The World's Fastest Drying System. This combination of speed and technology returns your property back to normal in less than half the time of traditional drying methods.

- Live Answer 24 Hours a Day
- Immediate Response 24/7/365
- Cut Drying Time in Half
- The World's Fastest Drying System

Champion uses state-of-the-art moisture detection equipment to locate and eliminate hidden moisture. Champion can guarantee your property is completely dry. You won't have to worry because a dry structure means no mold.

STORM DAMAGE RESTORATION

Tornadoes, thunder storms, hail and other weather phenomena can inflict a wide variety of damages to homes and commercial buildings. Champion has assisted many families in the South with their storm-damage restoration. Successful restoration depends largely on a fast response to the loss. Champion offers the following storm-damage related services:

- 24 Hour Emergency Board Up and Water Extraction
- Tree and Debris Removal
- Tarping
- Hail Repair & Roofing
- Full Reconstruction

Contacting Champion as soon as possible after a disaster is the first step to successful restoration.

CONTENTS RESTORATION

Champion's team of professionals is ready to turn a seemingly impossible situation into a positive experience. Champion wants to make this difficult time as worry-free as possible for you. Champion's technicians are trained to ease you through the process and ensure that your home and items are fully restored as soon as possible.

- State-of-the-Art Contents Cleaning & Restoration Facility
- 120,000 Cubic Feet of Secure Space for Contents Storage
- Dedicated & Expertly Trained Contents Technicians
- Furniture Restoration
- Emergency Corrosion Mitigation
